

Homework challenges will be set on Seesaw for you to complete and upload. Please engage with this on a weekly basis and look out for new challenges. Class teachers will be monitoring engagement.

PE is every Wednesday and Thursday. Please ensure your child has a full PE kit in school; this must include a white t-shirt, shorts or jogging bottoms and black pumps.

Year One Newsletter - Summer 2024

Dear Parents/ Carers,

We hope that you enjoy reading this newsletter. We have listed some information that we hope will be interesting and useful.

If you have any concerns about your child do not hesitate to speak to your class teacher at the beginning or end of the school day or leave them a message on Seesaw.

Miss Atkinson, Miss Smith and Ms Rimmer.

Reading at home!

Your child will bring home a reading book each night to read with you at home. Please sign the reading record once your child has read at home. We expect the children to read 5 times a week.

Please ensure your child brings their book bag and book into school every day.

The Phonics Screening check will commence week of 10th June.

Please see class teachers for advice on how to support the children at home with this check.

Water Bottles and Snack:

Children are permitted to have water bottles in school filled with water only. They are allowed to help themselves to their water whenever they need it, as water is essential for concentration!

We have snack time each morning. If you would like your child to have snack and milk provided by school, please contact the Office.

Thank you so much for your support.

The Year One Team

Geography

Why do people choose to live and work in Manchester? During this topic we will look at our local area of Eccles, human and physical features in Manchester and the types of jobs available in Manchester.

History

Is nursing today better than it was in the past? We will be looking at artefacts from the past and present. We will also be studying Florence Nightingale and Mary Seacole.

DT

We will be making kites to fly! We will experiment with different materials before deciding on a most suitable material.

P.E

We will be developing a range of skills such as throwing, catching, balancing and much more!

Science

In our Science lessons, we learn about Biology, Chemistry and Physics. We use practical methods to investigate as much as possible. This term we will look at life cycles, the habitats of animals, everyday materials and electricity.

RE

Our theme is 'Belonging'. We will be learning about how different religions show they belong.

Year 1 - Summer

Art

We are learning about Antoni Gaudi. He designed buildings in Spain - one of the first being the Sunflower House. We will then be using clay to make a sunflower tile.

English

In our Read, Write, Inc. lessons we will be learning to read, spell and write using the new sounds that we learn each day. We will focus on forming letters correctly leaving spaces between words and using punctuation when writing sentences.

PSHE

Our Jigsaw PSHE theme is 'Relationships'. We will learn about different types of relationships we have with others.

Maths

This term in Maths we will explore multiplication and division. We will do this by counting in 2s, 5s and 10s. We are also going to be grouping items equally and adding groups together.
