

English

Write a letter to someone you are missing. Ask them what they doing. What do you want to do together when you see them again? Tell them something you've enjoyed doing at home.

Reading

Choose a book and read it out loud to your family.

Draw a picture of your favourite story- can your family guess what it is?

Team work

Learn a card game.

Create a marble run using empty toilet rolls. How far can the marble travel?

PSHE

-If you could grow anything in a garden, what would it be?

-If your stuffed animals could talk, what would they say?

-If you could give £100 to a charity, which would you choose?

Science

Tally chart of plants seen on walk: dandelions, daisies, nettles, buttercups.

List things in your house into categories of living, dead and never been alive.

Maths

- Draw a clock to show what time you do things during your day, such as when you get up, have breakfast, have lunch, do school work, exercise, have your tea and go to bed. Show as o'clock, half past or quarter past/to.
- Count in groups of 2, 5, 10 or 3.
- Are there any numbers that are in the 2, 5, 10 AND 3 times table?
- What 3D shapes can you find around your house? What shape is a tin? A cereal box? A ball?
- Find a 3D shape in your house and count how many sides, faces and vertices (corners) it has. Are there any other 3D shapes with more sides, faces and vertices?

Year 2 Home Learning Activities

Hello! We hope you are keeping safe and well. Please complete the home learning tasks around the page whilst you are at home. You do not have to complete them all at once, and some are continuous learning activities that you can practise every day. Please complete activities and share them with us when you return back to school.

Please also continue to complete your homework activities and read every day and check your class webpage for more information and ideas!

History

What can you remember about Captain James Cook or L.S. Lowry? Write as many facts as you can and then share them with someone you live with. You can research more facts on the internet.

<https://primaryfacts.com/2248/l-s-lowry-facts-and-information/>

https://www.ducksters.com/biography/explorers/captain_james_cook.php

Geography

Draw a map of your local area. Use a key to show the houses, park, school, road, and shops.

Key words

Take a look on the school website at the Year 2 common exception words. Can you write an interesting or silly sentence using any of the words?

Don't forget to add adjectives and extend your sentences!
