

Lewis Street Primary School

Spellings will be given out each Monday with a Spelling Test on the Friday.

Homework will be handed out every Monday, to be completed by the Friday.

Login to Seesaw to see homework and pictures of what we do in class.

Can you become a timetables rock legend on TTRockstars?

Our PE days are:

Tuesday and Wednesday (5N)
Wednesday and Thursday (5C)

Year 5 Autumn Newsletter

We hope you have had a fantastic holiday break and are excited about all the learning we have ahead of us! We're going to have a great term!

If you have any questions, please do not hesitate to ask any member of the Year 5 team:

Mrs Chipperfield, Miss Newman, Mrs Melia, Miss Shearer and Miss Vick.

Key Information & Reminders:

Water Bottles

Don't forget to bring a **reusable water bottle** in as we no longer have cups in school and it is important for children to stay hydrated throughout the day. Please put a label on bottles. They can refill them in school.

PE Kits

- White t-shirt
- Black Shorts
- Black pumps or trainers (outdoors only)
- No Logos!

On PE days, children must bring their PE kit in a bag.

Reading at home

We cannot stress enough how important it is for your child to read at home!

Reading improves writing skills, maths attainment and concentration abilities, as well as children's well-being, creativity and empathy.

Your child can read independently or with a family member. When an adult is reading with your child, we encourage you to have a conversation about what has been read and question each other about the choices the author has made to support your child's comprehension skills.

Our school expects that children **read at home 5 times per week (for at least 10 minutes each time)**. Please ensure that you are signing and dating your child's reading record.

Reading records and books must be brought to school every day.

History

Vikings

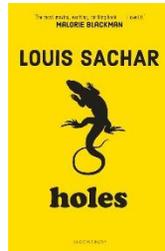

Through our history lessons, we will learn about the Anglo-Saxons and the Vikings, and how the legacy they have left on Britain today.

English

Holes

This half-term we will be studying 'Holes' by Louis Sachar. We will be using it to help us write a range of pieces, including a non-chronological report.

Maths

Place value, addition and subtraction

This term we will be learning about numbers up to 1,000,000, rounding, mental strategies and formal methods of addition and subtraction.

Science

Biology, Chemistry and Physics

This term, we will expand our knowledge of Biology, Physics and Chemistry.

In Biology, we will learn about human and animal life cycles.

In Chemistry, we will learn about reversible and irreversible reactions.

In Physics, we will learn about light and sound.

Spanish

Ourselves

This half-term, our focus is on 'School'. We will continue to learn to count and answer questions about family and pets.

Year 5 Autumn 2024

PE

The focus this half term will be on basketball and rugby.

R.E

Key Question:
If God is everywhere, why go to a place of worship?

Children will learn about the key features of different places of worship and explore why these are significant in people's lives.

Art

Toshiko MacAdam

We will be learning all about Toshiko MacAdam, a Japanese textile artist.

PSHE

Being Me in My World

We will think about our goals for the future and learn how to make our school community a better place.

Geography

The Alps

This term, we will learn about all the Alps, including how mountains are formed, longitude and latitude, and how to use coordinates.
