

## Pupil Premium Strategy (2018-2019)

1. Summary information					
School	Lewis Street Primary				
Academic Year	2018-19	Total PP budget	£200,900	Date of most recent PP Review	Sep 18
Total number of pupils	382	Number of pupils eligible for PP	150	Date for next PP Strategy Review	Sep 19

2. Current attainment			
	<i>Pupils eligible for PP</i>	<i>All Pupils (school)</i>	<i>All Pupils (national)</i>
% achieving expected/above in reading, writing & maths (or equivalent)	68%	68%	64%
Reading progress score	+3.3	+4.2	+0.3
Writing progress score	+0.3	+0.7	+0.03
Mathematics progress score	+2.9	+2.3	+0.03

3. Barriers to future attainment	
<b>In-school barriers</b>	
A.	Low speech and language skills on-entry into Nursery and Reception

<b>B.</b>	Gap between boys and girls in reading, writing and number in Reception and phonics Year 1
<b>C.</b>	Articulation (talk) and reasoning leading to improved progress and attainment in writing
<b>External barriers</b>	
<b>D.</b>	Parental engagement
<b>E.</b>	Limited first hand experiences
<b>F.</b>	Issues associated with mental health and disadvantage

<b>4. Outcomes</b>		<b>Success Criteria</b>
<b>A.</b>	To raise the attainment of the PPG in CLL in the EY. This will be measured each term by the school's EY tracking system and by the speech & language team's assessments.	<ul style="list-style-type: none"> <li>• 70% PPG achieve GLD</li> <li>• 100% of PPG to move up at least one Blank Level and 65% of PPG to be Blank Level 4 by July 2019</li> </ul>
<b>B.</b>	To close the gap between boys and girls in reading, writing and number in Reception and phonics in Year 1.	<ul style="list-style-type: none"> <li>• 80% PPG to achieve phonics check in Year 1</li> <li>• 90% PPG to achieve phonics check in Year 2</li> </ul>
<b>C.</b>	To increase articulation and reasoning throughout school for all pupils through the use of critical thinking and vocabulary across the curriculum where the confidence levels of children in public speaking is increased.	<ul style="list-style-type: none"> <li>• Pupil talk prompts to be in use consistently.</li> <li>• All teachers and LSAs will follow the teacher talk moves to ensure consistency and minimise adult talk to increase pupil talk.</li> <li>• P4C embedded into all year groups across the Partnership.</li> <li>• Children using reasoning and critical thinking vocabulary across the curriculum.</li> <li>• Increase the percentage of PPG working at greater depth in reading writing</li> </ul>

		and mathematics in KS1 and KS2.
<b>D.</b>	To Increase the percentage of parents/carers involved in school life and their children's learning.	<ul style="list-style-type: none"> <li>• 100% up-take of target PPG in parental engagement research projects in Reception.</li> <li>• 50% increased attendance at parental workshops for parents/carers of PPG.</li> <li>• At least 85% attendance at Learner Review Days of PPG.</li> </ul>
<b>E.</b>	First Hand Experiences - to broaden experiences of writing within a wider context.	<ul style="list-style-type: none"> <li>• Eliminate the gap in attainment (expected or above) in writing between PPG (71% 2018) and other pupils (75% 2018).</li> </ul>
<b>F.</b>	To address children's emotional, behavioural and mental health needs at an early stage in order to remove barriers to learning and lay the foundations for making healthy life choices in teenage and adult years.	<ul style="list-style-type: none"> <li>• To improve attendance for PPG to 96%.</li> <li>• To reduce persistent absenteeism of PPG.</li> <li>• To provide emotional and therapeutic support to identified pupils and families of target PPG.</li> </ul>

5. Plan including actions, expenditures and review dates					
Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff Lead	Cost (approx.)	Termly Review
<b>A. Nursery screening - WellComm</b>	<b>Social disadvantage and Social mobility</b> Over 50% of children in socially deprived areas may start school with impoverished speech, language and communication skills. On average children from the poorest 20% of the population are over 17 months behind a child in the highest income group in language development at age three.	Charlene Skeels (SENDCO) & Helen Sherwin (Phase Lead) to liaise with the therapist and EY staff fortnightly. ½ term update meetings facilitated to review	Charlene Skeels & Helen Sherwin with Reception and Nursery Teachers	1 x 0.2 AHT = £12,000 1 x 0.2 Phase Lead = £8,400 2 x 0.5 LSA2 = £24,000 SALT = £8,000	Termly Assessment Termly report to Governing Board.

<p><b>A. Use Blank Level TALC assessments to track progress in understanding and speaking.</b></p>	<p>Use the WellComm assessment tool to:</p> <ul style="list-style-type: none"> <li>• Wellcomm is a complete speech and language toolkit which supports practitioners working with children up to the age of six.</li> <li>• It enables teachers to quickly screen children's speech and language skills, and then to provide immediate targeted support where it is needed.</li> <li>• Using Wellcomm resources, practitioners can also enhance the skills of those children whose speech is developing along normal lines.</li> <li>• The aim is to increase the numbers of children whose speech, language and communication development is within the normal range.</li> <li>• Wellcomm provides Group Reports for comparative purposes and also individual reports to support tailored interventions.</li> </ul> <p>In England, almost one child in four (23%) does not meet the expected level of language development by the age of five. Children living in poverty face a much greater risk of falling behind – one in three (35%) does not have the language skills expected of a five-year-old. TALC = Test of Abstract Language</p>	<p>progress and next steps with CTs and LSAs who deliver the sessions.</p> <p>Modelling of techniques to targeted parents and cross-reference to target research group for CLL programme in Reception and parental engagement programmes.</p> <p>SALT will complete session observations and feedback to LSAs.</p>			
--	--	--	--	--	--

	<p>Comprehension (Elklan):</p> <ul style="list-style-type: none"> <li>• Based on the Language of Learning Model proposed by Blank, Rose and Berlin (1978).</li> <li>• Picture assessment. The topics for the six pictures have been carefully chosen to reflect the experiences of a wide and diverse population.</li> <li>• The child is shown a picture or is given four pictures to put in the correct order. The assessor asks the questions listed on the score sheet and notes can be made about the child's response.</li> <li>• 80% correct in a Level is considered a pass</li> </ul>				
<p><b>B. To close the gap between boys and girls in reading; writing and maths in Reception</b></p>	<ul style="list-style-type: none"> <li>• Analysis of data overtime indicate that girls out perform boys in reading; writing and maths in Reception.</li> <li>• Introduce and embed 'Helicopter Stories' as an approach to develop children's spoken vocabulary to support reading and writing.</li> <li>• Phase Lead models weekly Story Scribe sessions to develop children's spoken sentence structure to support reading and writing.</li> <li>• Embed maths mastery approaches to makes links between mathematics;</li> </ul>	<p>Phase Lead leading on Helicopter Stories and Story Scribe.</p> <p>Phase Lead supporting 2 x NQTs in Reception for this academic year to provide cover as well as modelling and training support.</p> <p>QFT provision matches the areas of need and</p>	<p>HS</p> <p>HS</p> <p>HS &amp; CS</p>	<p>£20,000</p>	<p>Half termly assessments.</p> <p>RAG Key Priority action plan.</p> <p>English team meetings.</p>

<p><b>B. Increase % of children to be at Band D RWI by the end of Reception.</b></p> <p><b>B. To increase the % of children passing the phonics screener in year 1 and 2</b></p>	<p>speaking and reasoning,</p> <ul style="list-style-type: none"> <li>Journaling now included and established in Reception, including the 'in focus' task to support problem solving.</li> </ul> <p>Nursery to start RWI in November 2018. Reception and Year 1 to timetable 4 weekly sessions.</p> <p>Phonic screener results have always been below national average. Last year we achieved 77% which was an improvement on the previous year (61%). Continue to support Year 2 phonics to ensure a continued upwards trajectory.</p>	<p>these are reviewed on a half termly basis.</p> <p>Early intervention meetings delivered to N/R parents.</p> <p>Weekly targeted family learning sessions.</p> <p>Breakfast phonics booster Year 1.</p> <p>RWI training for new starters.</p> <p>RWI CPD for LSAs and staff who need a refresher.</p> <p>Monitoring of phonics teaching.</p> <p>Parent phonics workshops.</p> <p>Phonics intervention teacher employed to teach groups outside of RWI lessons.</p>	<p>HS</p> <p>HS &amp; TR</p> <p>PV; JG &amp; KA</p> <p>RWInc.</p> <p>HS &amp; ABr</p> <p>Phase Leads</p> <p>HS</p> <p>KA</p>	<p>PV = 0.5 x 4 = £8,800</p> <p>KA = 0.5 x 4 = £8,800</p>	
<p><b>C. To embed P4C in every classroom with expectations</b></p>	<p>One in four children who struggled with language at age five did not reach the expected standard in</p>	<p>P4C Policy Training Children become more</p>	<p>The English Team</p>	<p>CPD = £10,000 Cover = £3,200</p>	<p>RAG Key Priority Action</p>

<p><b>for once a week, with flexibility within the weekly timetable.</b></p> <p><b>C. To improve the public speaking skills and confidence of all children.</b></p>	<p>English at the end of primary school compared with one in 25 children who had good language skills at age five.</p> <p>One in five children who struggled with language at age five did not reach the expected standard in maths at the end of primary school compared with one in 50 children who had good language skills at age five.</p> <p>We believe that by telling children answers, doing things for them, or showing them shortcuts, relieves them of their responsibilities and prevents them of the opportunity to make sense of the English or mathematics that they are learning. To help students engage in real learning, we must ask good questions, allow them to struggle, and place the responsibility for learning directly on their shoulders. By listening to them, we not only give them the opportunity to develop deep understanding but also enables us to develop true insights into what they know and how they think.</p>	<p>confident to speak and know how to politely disagree.</p> <p>High quality paired talk.</p> <p>Note taking/ jotting during talk and thinking time.</p> <p>All pupils participate in dialogue over time.</p> <p>Adults rarely repeat children's words or instructions.</p> <p>Wait time after questions.</p> <p>Children are audible.</p> <p>Time is taken to evaluate the quality of talk.</p> <p>High accountability regarding listening.</p> <p>Pupil to pupil dialogue is evident.</p> <p>Children display good body language/ eye contact/ posture during talk.</p> <p>Bank of resources added to regularly for staff to share.</p>	<p>The TALK Team</p>		<p>Plan; report as standard item on LT agenda.</p> <p>Termly report to Governing Board.</p> <p>Data relating to the number of children reading at home in each class will be closely monitored and arising issues to be actioned.</p> <p>Teaching of reading to be monitored via walk throughs and reading journal scrutinies.</p>

Food' initiative.					
<p><b>E. TALK training for ALL staff.</b> <b>P4C training for all teaching staff.</b></p> <p><b>E. Half termly writing tasks planned to link to experiential learning, including trips and visitors.</b></p> <p><b>E. Year 4 Shakespeare Project to deepen understanding of language and of audience.</b></p> <p><b>E. Targeted intervention / support for pupils identified during pupil progress meetings, including pre-teaching and</b></p>	<p>We have known for a long time that talk is essential to children's thinking and learning, and to the productive engagement in classroom life, especially in the early and primary years. We now have additional evidence, from over 20 major international studies, that high quality classroom talk raises standards in the core subjects as typically measured in national and international tests.</p> <p><i>Robin Alexander – letter to the Secretary of State 30 September 2011</i></p> <p>Analysis of attainment in writing at the end of the academic year (2018) demonstrated a gap between disadvantaged pupils and other pupils. The school had undertaken a successful 'Challenge the Gap' project in the previous academic year focusing on improving writing through first hand experiences. This involved lesson study and studying research regarding strategies to raise attainment for disadvantaged pupils. The school's long term curriculum plan has</p>	<p>English team provide training and opportunities to reflect on progress in staff meetings. This includes writing moderation involving all staff. Regular project book scrutinies are undertaken to ensure that extended writing for a range of purposes is evident.</p> <p>Termly pupil progress meetings focus on attainment and progress of individual pupils, identifying those requiring targeted support.</p> <p>Half termly Phase meetings monitor the progress of identified</p>	<p>Gemma Lavelle and the English team across the Partnership.</p> <p>Topsy TALK /P4C training</p>	<p>£30,000</p> <p>£5,000</p>	<p>RAG Key Priority action plan. Reviewed at CTG meetings. Half termly Cluster meetings. LT meetings.</p>

<p><b>'fix it' sessions.</b></p> <p><b>E. Participation in a writing cluster group with local schools, focusing on developing key writing skills through sharing good practice</b></p>	<p>been developed further from September 2018, enabling staff to plan meaningful, purposeful writing trips based on associated trips and visits. Project books were introduced to facilitate cross curricular writing based on skills and knowledge particularly through Geography and History.</p>	<p>pupils.</p>			
<p><b>F. Children's and Families Officer to monitor PPG attendance.</b></p> <p><b>F. Place2Be provision for targeted pupils and their parents.</b></p> <p><b>F. Therapeutic interventions in place including: Happy To Be Me; Pyramid Club; Fun with Food; Wild</b></p>	<p><b>Key mental health facts:</b></p> <p>Over 1 million children in the UK have a mental health problem. Nearly half of young people with mental health problems drop out of full time education by age 15. Over 90% of young offenders had a mental health problem in childhood. 1 in 6 adults have a mental health problem. The World Health Organisation predicts that depression will be the 2nd largest killer of all parents by 2020.</p> <p><b>Some of the reasons for this:</b></p> <p>More than 750,000 children experience domestic violence each year. Up to 1.3</p>	<p>There is an established Pastoral Team to whom the Children and Families Officer is accountable. Place2Be therapists' have weekly supervision. The Place2Be Project Manager is also represented on the Pastoral Team. The school has termly review meetings with Place2Be regional manager.</p>	<p>Tracey Redgrave - Children and Families Officer Martyn Harby – Project Manager Place2Be Pastoral Team</p>	<p>£55,000</p>	<p>Pastoral Team minutes. Place2Be termly report. Termly Report to Governing Board.</p>

<p><b>Tribe and Forest Crew.</b></p> <p><b>F. Commissioned multi-agency support including the Education and Welfare Service.</b></p>	<p>million children are carrying the ‘family secret’ of living with parents who misuse alcohol. Almost a third of all children had been bullied twice in the past month and five per cent reported they were bullied ‘most days’.</p> <p><b>Impact of poor mental health:</b> Children who do not have access to support often become adults who are unable to work or make a positive contribution to the community.</p>	<p>The EWO service is commissioned for ½ day per week.</p>
