

Lewis Street Primary School – Special Educational Needs & Disability Policy (SEND)

Date	Autumn 2023
Review Date	Autumn 2024
Chair of Governors	D. Jolley

Pupils at Lewis Street Primary love the welcoming atmosphere at the school and have excellent relationships with staff. They feel safe and readily place their trust in the adults working in the school. In terms of the curriculum, the school sets high expectations for pupils achievement, including for pupils with special educational needs and/or disabilities (SEND).

Ofsted, July 2024

The figures for pupils requiring support for special educational needs and/or disabilities (SEND) is well above average, as is the proportion who have an education, health and care plan. Pupils with SEND access the full curriculum with the appropriate adaptations. Scaffolding and resources are tailored to exactly meet their needs.

Quality Assurance Review - Challenge Partners, Feb 2024

What is SEND?

“A child or young person has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for him or her. A child of compulsory school age or a young person has a learning difficulty or disability if he or she:

- has a significantly greater difficulty in learning than the majority of others of the same age, or
- has a disability which prevents or hinders him or her from making use of facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions”

Code of Practice 2015

Aims and Objectives

At Lewis Street we believe that:

- All children regardless of their learning difficulties or other disabilities, will have access to a broad, balanced, coherent and relevant curriculum, including the National Curriculum & EYFS;
- All teachers are teachers of SEND;
- To be included is to feel welcome, secure, stimulated and valued;
- Children and parents should be fully involved in their child’s education;
- All children should have equality of opportunity in all aspects of their education;
- All children should be given opportunities to meet their full potential;
- Children who experience barriers to their learning, will be supported and reasonable adjustments will be made to accommodate them;
- All children should have access to a differentiated, first hand curriculum which meets individual needs;

Lewis Street Primary School – Special Educational Needs & Disability Policy (SEND)

- All children, staff, families and stakeholder should be part of the Lewis Street family and adapt our inclusive ethos.
- That children with SEND and/or a disability should not be treated less favourably.

Initial Concerns

Class teacher has a concern about a child. A log is kept and this evidence is shared with the SENDCO after six weeks. If the concern still exists and evidence is thorough, the child will be placed at the initial concern stage on the register of additional need.

Band A

When a class teacher identifies that a pupil has an additional need, the class teacher provides wave 2 interventions additional to or different from those provided as part of the school's usual differentiated curriculum offer:

- The class teacher remains responsible for working with the child on a daily basis and for planning and delivering a differentiated curriculum. An IEP will be devised with smart targets. All targets should, be achievable in a half term. Class Teachers, the SENDCO and SLT are responsible for deploying LSA support effectively to support the need.
- SENDCO will take the lead in:
 - Any further assessment of the child;
 - Planning future interventions for the child in discussion with colleagues;
 - Monitoring and reviewing the action taken.

Band B

- SENDCO and class teacher, in consultation with parents, ask for help from external agencies
- Class teacher and SENDCO are provided with advice or support from outside specialists
- Additional or different strategies to those at School Action are put in place, wave 3 interventions. An IEP will continue to be used.
- SENDCO should take the lead in:
 - Ensuring advice given from external agencies is taken on and evidenced in the IEP;
 - Planning future interventions for the child in discussion with colleagues;
 - Monitoring and reviewing the action taken.

Band C (Band C – G + Special Band)

In a small number of cases it may be appropriate for the LA to provide additional support to meet the needs of SEND children through the statutory assessment process. This is called an Education, Health and Care Plan.
