

### Background:

#### School Principles for PE and Sport Premium Grant Spend

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. This applies to both mainstream and non-mainstream settings. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport we offer.

This means that the premium should be used to:

- Develop or add to the PE and sport activities that our school already offers.
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

There are 5 key indicators that schools should expect to see improvement across:

- The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

#### Our School Strategy

In 2021-22, Lewis Street Primary School will receive £19,110 in instalments over the year of PE and Sports Premium funding.

This money will be put to use to ensure that we see an improvement in the 5 key indicators outlined above, furthermore, we hope to expand on our current offer of Physical Education and Activities to further embed PE as an essential part of school life.

## Sports Premium Statement 2021/22

Objective	Action	Cost	Baseline	Red/ Amber/ Green			Update/ Impact
To invest in specialist sports equipment to provide sustainability for the teaching of sports in school.	<ul style="list-style-type: none"> <li>Restock and replace old equipment (tennis balls, football nets etc)</li> </ul>	£3300					Equipment replenished and broadened to provide more opportunities for our children, to access new and improved equipment during lessons.
To purchase Early Years specific equipment for outdoor provision to ensure that all children are able to meet the age related expectations for Physical Development by the end of Reception.	<ul style="list-style-type: none"> <li>Purchase outdoor play equipment e.g. balls of varied size, skipping ropes etc</li> <li>Purchase outdoor scooters and bicycles</li> </ul>	£2000	We have wanted to purchase bikes and scooters for EYFS to support them in meeting the physical development target.				Equipment has been purchased for EYFS children to support them in meeting the physical development expectation. We still need to purchase bikes and scooters.
To identify and target children in Year 6 who are unable to meet the minimum national curriculum	<ul style="list-style-type: none"> <li>Purchasing top up lessons and an additional swimming teacher after SAT's test have been</li> </ul>	£2350	The current year 6 children who didn't get to attend their swimming lessons due to COVID will have additional lessons in 2022. This will support them in				All Year 6 children have accessed a full term of swimming lessons, twice a week, due to them missing the sessions

### Impact statement Review 2021/22

Our Sport Funding Premium of £19,110 has enabled us to continue our year on year development to us successfully achieving our task of maintaining the School Games **Platinum Kitemark** awarded by YourSchoolGames. As a result of our funding, our children have accessed an enhanced experience of sports and outdoor activities alongside their continued 2 hours of school curriculum entitlement to meet our schools objectives and the government's 5 key indicators of successful spending of Sports Premium funding.

Following our Impact Statement Review, we can report:

- Funding has continued to be used for the lease and maintenance of our school minibus which is shared with Christ Church Primary School. Not only have we been able to save on a large amount of transport costs on hiring private minibuses to attend events, but due to the constant availability of a minibus on site, we have been able to attend even more competitions, sporting festivals and events in the community.
- We have secured a sports coach (through Foundation92) which enabled a consistent approach to the teaching, planning and assessment of Physical Education.
- We have also used external coaches to further increase the range of sports offered. We were careful to ensure that, wherever possible, we linked with organisations that were able to provide our staff with CPD (continued professional development).
- We have purchased a variety of playground equipment for children to be able to take part in sports in their own time that they have experienced in PE lessons. We have purchased footballs, tennis equipment, skipping ropes, basketball nets and balls as well as throwing and catching apparatus.
- We have purchased new sports equipment to allow teaching staff to deliver an increased range of sports during children's PE sessions.
