Wednesday, 18th March, 2020

Dear Parents and Carers,

As your child is currently not in school, we have provided some activities and on-line learning.

Curriculum

Using the Purple Mash website, class teachers are setting Maths and English activities for your child to complete this week. The teachers will endeavor to mark these activities and provide feedback online. If you have not yet signed the permission letter for your child to access Purple Mash, contact school ASAP for more information.

Website

Teachers have updated their class pages on the school website with information and activities linked to this week's learning. This will include class spelling lists and phonics activities for younger children. There is a useful video to explain how to pronounce the phonic sounds accurately in the Read Write Inc. section under the curriculum tab.

Reading

Please ensure that your child is reading daily. This could be their school reading book; any other texts that interest them; age-appropriate magazines; comics or newspapers. Please record this in the Reading Record. You can also use the eBooks online from the **Oxford Owl website** and **Oxbridge babies** for younger children. See link below.

<https://www.purplemash.com/>
This website gives children access to a range of learning activities which they can do independently at home.

Times Tables

Times Tables Rockstars can continue to be used by Year 2 to 6 to ensure that they can recall their times tables quickly and accurately. The class teachers will update the class pages to let you know which times tables your child needs to know.

Further home learning activities will be updated regularly on **Purple Mash** and the **school website**. Please check them daily.

Thank you for your continued support.

Kind regards
Wendy McCormack
Executive Headteacher
