

Tuesday 9th February 2021

Dear Parents/Carers,

As we approach the end of this half term, we just wanted to say a big thank you for your hard work and continued support.

In particular, your engagement with remote learning and helping your children to continue their learning has been much appreciated. A big well done to the children for joining live lessons and completing their work online – you have all gained skills in new ways of working and shown great resilience over the past few months!

We are delighted that lots of our children are now accessing learning through Zoom, Seesaw and Google Classrooms, as well as through the paper packs. Another thank you goes to the staff who have all been working tirelessly throughout to provide engaging learning in line with the curriculum. It has also been great keeping in touch via our telephone calls, to make sure everyone is staying safe and well.

Half-term

Just a reminder that school will close **to everyone** for the half term break on **Friday 12th February** and we hope that you will enjoy a well-deserved break for the half term week. There will be no learning posted during the half term holiday week so please make time to relax. School will re-open for those children who are **currently attending** (Critical workers and vulnerable children) on **Monday 22nd February** and online remote learning will resume from that day via Seesaw, Tapestry and Google classrooms.

As yet, we do not have any details regarding school reopening for all children, however, we will of course inform you when we have any further information relating to this.

Once again, may we thank you for your continued support, and the huge efforts you are undertaking to ensure that your children continue with their learning. We know that many of you are working from home also and that juggling home learning and working yourselves is very challenging. Many thanks for the kind messages of support throughout these difficult times. It really is much appreciated.

Take care, stay safe and enjoy the half term break,

Kind regards,

Miss Claire Kinch
