

Tuesday 5th January 2021

Dear Parents/Carers,

Re: Remote Learning

We have been looking closely at what learning should look like during the National Lockdown. This is often referred to as **'Remote Learning'** and is for children learning outside of school due to the pandemic.

Remote Learning consists of a variety of approaches including daily Zoom lessons; learning platforms such as Tapestry (Early Years); Seesaw (Years 1 – 6) and Google Classroom (Years 4-6). The learning platforms include tasks to be carried out; where to find resources and how to submit work. Children are still expected to read 5 times a week and access Numbots or TTRockstars daily. Please continue to check the class pages on the school website for useful links to other home learning activities online. All links to learning platforms are on the reverse of this letter together with suggested timetable to structure your child's day.

We have written a **Remote Learning Policy** which is also available on the school website:

www.lewisstreetprimary.co.uk/key-information/policies-and-procedures/

Please ensure you read this policy so that you are clear about what is expected both from school and from your child. If you have difficulty accessing the learning platforms or the Zoom lessons due to technology or access to WIFI, please speak to your class teacher as we would like to help you with this.

Our **Remote Learning** offer will enable children to continue to master the skills and knowledge set out in the curriculum for their year group and/or stage of learning. Teachers will provide the following:

- Daily Maths tasks.
- Daily English tasks – Reading and/or Phonics; and/or Writing including Spelling.
- One other curriculum area per day, with a PE activity at least once a week.

Pupils will be expected to complete all work set. If work is incomplete, staff will discuss this with you during welfare calls. There is a suggested timetable on the reverse of this letter to help you structure your child's day.

Should you have any questions then please do not hesitate to contact your child's class teacher in the first instance. Thank you for your continued co-operation.

Kind regards,

Miss Claire Kinch
Head of School
